2. Short Biography

He graduated from the Jikei University School of Medicine, Tokyo, Japan and received Medical Degree in 1974 and Ph. D in 1981. He was a Director of the Department of Clinical Oncology and Professor of Obstetrics and Gynecology at the Jikei University Hospitals until he retired from full-time clinical practice on March 31, 2014.

He has been a leader of Gynecologic Oncology in Japan for many years and has established Japanese Board of Gynecologic Oncology and served as a president of Japanese Gynecologic Oncology Group.

He was active in the Japan Society of Obstetrics and Gynecology (JSOG), notably, he served as Secretary General of the Japan Society of Obstetrics and Gynecology and as a Vice President of the Society, contributing to its international relations.

He, therefore, has been also active internationally, especially in Asia-Oceania Federation of Obstetrics and Gynaecology (AOFOG). He served as a chair of oncology committee for two terms, vice-president and finally the 28th president from 2019 till May 2022. And he is an author and co-author of more than 200 papers in peer reviewed journals.

His AOFOG presidential initiatives in AOFOG region and global expansion of AOFOG involvement in woman's health continue to impact the specialty.

He was awarded Medical Encouragement Award by Tokyo Medical Association and honorary fellowship by many colleges and societies as follows:

Fellow and Honorary Member, Japan Society of Obstetrics and Gynaecology
Honorary Fellow, American College of Obstetricians and Gynecologists
Honorary Fellow, Canadian Society of Obstetricians and Gynecologists
Honorary Fellow, Taiwanese Association of Obstetrics and Gynecology
Honorary Fellow, Indian College of Obstetricians and Gynecology
Honorary Fellow, Korean Society of Obstetrics and Gynaecology
